

Mapped, edited, and published by the Geological Survey

SCALE 1:24,000

Control by USGS and NOAA  
Topography by photogrammetry from aerial  
photographs taken in 1972. Field checked in  
1973. Projection and 10,000-foot grid are based on  
the North American Datum of 1983. The  
1000-metre Universal Transverse Mercator  
zone 15, shown in blue, is based on the  
North American Datum of 1983.  
Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is uncheck-
